

Presentation of Banner—2010

In 2010, Girlguiding UK's Centenary Year, the Marjorie Dinsdale Banner was presented to Kendal Division's Young Leaders. Aged 14 to 18 years of age Young Leaders provide support to Rainbow, Brownie and Guide units throughout the Kendal area. Whilst this time in their lives is often a very busy one, especially with commitments to school work and exams, this group of young people attend weekly meetings and special events as well as helping out on trips and residential stays. Many work for their Young Leadership Qualification before progressing to the Adult Leadership Qualification, which means at the age of 18, they will be able to take responsibility for running a unit.

The Young Leaders, working within a unit team, bring enthusiasm to the units, sharing their skills with the younger girls and helping to ensure that Guiding continues to thrive in Kendal. This work is greatly valued and appreciated.
