The Dinsdale Banner was instigated in memory of Marjorie Dinsdale and her great contribution to Guiding in Kendal. It is awarded every year to a Unit or person from Kendal Division for their outstanding efforts throughout the year.

Miss Dinsdale devoted much of her time throughout her life to the Guide Movement. She was an inspiration to the girls, many of whom became Guiders themselves. Apart from running a very successful Unit, she held many appointments from Camp Adviser to Commissioner and was always ready to advise and support.
